A Complete Retail
Management Solution

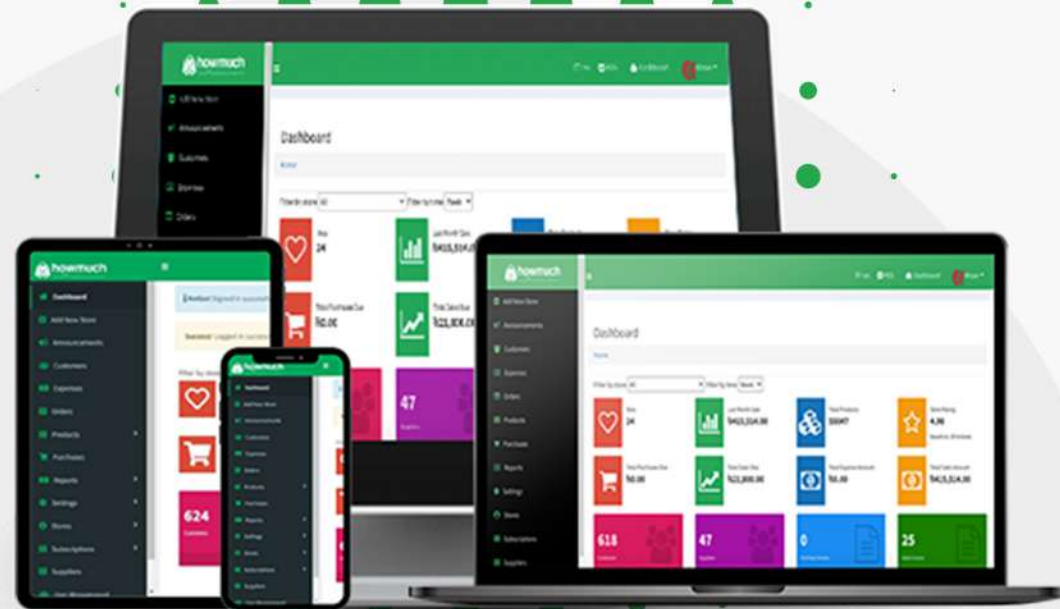

What is **Howmuch** Point Of Sale?

Howmuch POS has reporting tools to track customers and sales made on daily basis, spot trends, gain insights and manage your business with just fewer clicks. Howmuch POS is easy to navigate and is compatible with touch screen terminals and barcode scanners. Howmuch can operate in offline mode without internet connection and can be installed on any platform (iOS, Android, Windows, Mac).

Howmuch E-commerce allows anyone to setup an online store and sell their products. Howmuch store owners can also sell in physical location using Howmuch POS. If you are a Howmuch client with both an online and physical presence, your inventory and stock get synced so you can manage your store(s) from one account, on any device. We handle everything from your security to software updates so that you don't have to.
