About Us

Our Story

The success story of howmuch begins in (2014) intending to Provide SMEs the foundational platform to oversee their in-store and online presence and sales operations using the latest tools and technologies. In 2016 howmuch has been awarded as best in retail and supply chain management. Howmuch allows retailers to reach their customers efficiently and economically using advanced technologies like cloud computing, big data, and blockchain.

Howmuch Mission

Our mission is to become the first choice for all retailers by providing them the most advanced, cutting edge, and affordable point of sale system solution that meets customer's expectations for service, quality, and value.

Howmuch POS Vision

We strive to be recognized as ideal in the POS field. We want to digitalize the retail industry for today and tomorrow. We provide ease to shop owners while managing their store operation and a convenient shopping experience to customers while shopping and ultimately accelerate business growth.
